How we started

In 2006 Dan Greco was working as a bartender, and a customer was going to be deployed to Iraq. A few months later his dad came in and told Dan that his son was very down. Being away from family & loved ones is hard, but even harder with the holidays coming up. It was then that Dan had the idea to send him packages for Christmas. With the help of friends & family I was able to send 13 boxes that first year.

In November 2010, just 4 years later, we sent 150 boxes to 24 soldiers.

We are now looking to do more, Volunteers are always welcome. Donations are always needed, every little bit helps!

Thank you everyone who has helped. Without you, none of this could have been accomplished.
